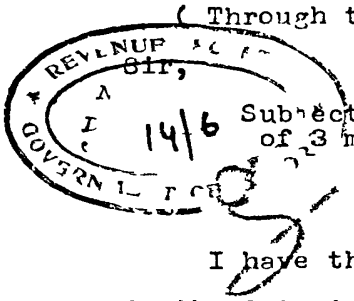
(Through the President, City Municipal Council, Mysore)



Sir,

Subject - Appointment of 3 Octroi Sanegars for a period of 3 months and payment of contribution to the Postal Department

I have the honour to state that although there is provision in the Octroi Bye-laws Appendix IV for the levy of octroi on goods received through post offices octroi is not being levied fo the present because of the fact that postal authorities had till now refused accession to the Octroi staff to the post office records to take note of the parcels received in the post offices inside the Municipal limits The matter was hitherto under - correspondence with the Post Master-General, Madras, and he has very recently replied that a sum of Rs 344-12-0 will have to be paid to the Postal Department as contribution towards extra work devolved in the Postal Department for furnishing the information etc , As the enforcement of the levy of octroi on goods importe through post offices (which is anticipated to fetch a net income of Rs 8000/- approximately per annum) involves additional work and the present staff is found inadequate to cope up with the wor it was found very necessary to appoint 3 octroi Sanegars on Rs 20/- P M (revised grade) temporarily for a period of 3 months in t first instance as an experimental measure The subject was ther fore placed before the Municipal Council and they have on the recommendation of the Managing Committee, approved of the proposal to appoint 3 Octroi Sanegars for a period of 3 months and t the payment of the contribution of Rs 344-12-0 per annum to the Postal Department Copies of the resolutions of the Committee and the Council are enclosed for ready reference

In the circumstances, I request you to kindly move the Government in the matter and obtain sanction from 1-7-[illegible] to the Council resolution No. [illegible] dated 24-5-[illegible]. The extra cost in this behalf will be met out of the provision made under the head 'Octroi Establishment' in the next year's Budget.
